

FACILITATING PROFESSIONAL INTEGRATION FOR MOBILE EMPLOYEE PARTNERS

WHO WE ARE

We are a non-profit association supporting partners and spouses of mobile employees working for associated international corporations, academic institutions and NGO's in the Basel-Zurich area. We facilitate their professional integration to the Swiss job market through:

KNOWLEDGE SHARING

Organising events and offering a resources library to share knowledge about job search strategies, as well as boost personal and professional development of partner members.

NETWORKING

Through our events and social media channels, we engage with our members and help them build their professional and personal network.

VOLUNTEERING

Becoming volunteers in IDCN, members manage to achieve engagement and professional development, while searching for a job.

WHAT PEOPLE SAY ABOUT US

"I joined IDCN as soon as I moved to Switzerland as it looked very valuable for networking and building both professional and social relationships. By volunteering and attending the events, I gained a good knowledge of the Swiss professional environment and was able to find a job that I very much enjoy".
